

## Teign Artists 'Six Days of Art' Notes

Please read the following before completion (it's a little different from last year):

The Teign Artists committee are a body of artists themselves and do not take a salary from this in order to keep the event good value for money. Various members of the committee have taken on making the brochure, handling the funds, administering the website, informing the more regional newspapers and other press. The participation fee for this event is £50 per artist/gallery/group. There could have been a myriad of pricing brackets for artists sharing venues, artists wanting more space in the brochure, artist groups, etc; but to dispense with all that it is one price for an entry in the brochure regardless of who is sharing a venue, how many artists in a group, or anything like that. However, in previous years the artists have been expected to print (and laminate, if they so wish) their own signage; there has been some call for this to be done for you, so for an extra £15 you will be supplied with a selection of a4 and a3 laminated arrows.

Sharing venues has its pros and cons. Being at your own studio alone may mean you have more wall space to yourself, but sharing your venue will draw more visitors. It's your choice. Please bare in mind that there are always artists who need somewhere to show.

It is also the responsibility of the individual artist to put press-releases or adverts into their local parish newspapers, display the provided signage, distribute brochures and flyers in their area, and make sure they have their own insurance for the event (A good cheap method for insurance is to subscribe to 'an' magazine - <http://www.a-n.co.uk>. A yearly AIR membership subscription costing £36 comes with free £5million Public Liability Insurance).

Please understand that to distribute publicity over the whole of Teignbridge is a mammoth task for a small number of people, but if everyone chips in and puts just one day aside to drop brochures into local libraries, pubs, doctor's surgeries, etc, plant a few into local papers in the newsagents, and do a postbox drop up a couple of choice roads, that is all that's needed to make this event succeed.

This year we'll be holding the event a little earlier—the first weekend being the weekend of the first bank holiday Monday in May, so get your entries in promptly. The dates are 5th, 6th, 7th & 11th, 12th, 13th May.

Please print out and fill in the form below and post to Luci Coles, 34 Emblett drive, Newton Abbot, TQ12 1YJ by Friday 3rd February 2012. All cheques to be made out to 'Teign Artists'. You may include a CD with your image and statement for the brochure, or you can email them to [benyates@mail.com](mailto:benyates@mail.com).

Also, just in case we get inundated with entries this year, we will be putting a cap on the number of entries - at 50-55 entries, the text in the brochure will become too small to read, so it's a case of first come, first served.

All the best,

Ben
